	HIGH *Homeless. *No identification *History of substance abuse *Limited to no work experience	MEDIUM - 3 -	HIGH - 7 -	HIGH - 9 -	EXTREME - 12 -	

The Risk Assessment is crucial for determining the appropriate level of support that an N8PP program client requires. By systematically evaluating potential risks, we can tailor our approach to each client's unique situation. Along with the goals and needs assessment, this process provides a comprehensive guideline for our Support Coordinators. It ensures that we proactively identify and manage risks, thereby delivering personalized and effective support while maintaining the highest standards of safety and care.
